This Momentary Marriage – John Piper

John Piper exalts the biblical meaning of marriage over its emotion, exhorting couples to keep their covenant for all the best reasons. It unpacks the biblical vision, its unexpected contours, and its weighty implications for married, single, divorced, and remarried alike.

Men Are Like Waffles, Women Are Like Spaghetti – Bill & Pam Farrel

The Farrels explain why a man is like a waffle (each element of his life is in a separate box) and a woman is like spaghetti (everything in her life touches everything else). End-of-chapter questions and exercises make this unique and fun look at men and women a terrific tool.

Boundaries in Marriage - Dr. Henry Cloud & Dr. John Townsend

Learn when to say yes and when to say no--to your spouse and to others--to make the most of your marriage. Drs. Henry Cloud and John Townsend show couples how to apply the 10 laws of boundaries that can make a real difference in relationships.

Shepherding a Child's Heart – Tedd Tripp

Written for parents with children of any age, this insightful book provides perspectives and procedures for shepherding your child's heart into the paths of life. Shepherding a Child's Heart gives fresh biblical approaches to child rearing.

Grace Based Parenting – Tim Kimmel

This book offers a refreshing new look at parenting. Rejecting rigid rules and checklists that don't work, Dr. Kimmel recommends a parenting style that mirrors God's love, reflects His forgiveness, and displaces fear as a motivator for behavior.

Parenting by the Book – John Rosemond

Picture respectful, responsible, obedient children who entertain themselves without television or video games, do their own homework, and have impeccable manners. A pie-in-the-sky fantasy? Not so, says family psychologist and bestselling author John Rosemond.

Just Do Something – Kevin DeYoung

This book is great for singles. God doesn't need to tell us what to do at each fork in the road. He's already revealed his plan for our lives: to love him with our whole hearts, to obey His Word, and after that, to do what we like. No need for hocus-pocus. No reason to be directionally challenged.

When God Writes Your Love Story – Eric & Leslie Ludy

Challenges singles to take a fresh approach to relationships in a culture where love has been replaced by cheap and diluted sensual passion. It shows that God's way to true love is not some dull lifeless formula, but brings fulfillment and romance in its purest, richest, and most satisfying form.

The Five Love Languages for Singles – Gary Chapman

Being single or married has nothing to do with whether you need to feel loved! Everyone has a God-given desire for complete and unconditional love in all relationships. Understanding and applying the five love languages will enhance all relationships.
