

WWJI – Who Would Jesus Invite

September 14, 2008
Pastor Adrian Boykin

Jesus answered them, “It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners to repentance.”

Luke 5:31, 32

LIFEGROUP Questions:

1. What would a “Matthew Party” look like for you? Who would you invite?
2. What are the most common barriers you face in sharing your faith story with people who are unconvinced about Jesus? What are your fears?
3. How can we develop our ability to invest in the lives of people who are far from God? (See **Galatians 6:9, 10; Titus 2:6-8; 3:14; 1 Peter 3:13-16**)
4. Make a map of your place of residence that includes the other houses or apartments that immediately surround it. Do you know your neighbors? Begin to pray that God will open a door of opportunity to develop a relationship with each.
5. Can you share the gospel message in word or “napkin diagram” in two minutes? Try it! (Right now, in this safe environment!)
6. Look for an opportunity this week to share with someone not in this group.
