How Do You Build Faith in God During Uncertainty?

October 12, 2008
Pastor Tom Shirk

But as for me, I trust in You, O LORD, I say, "You are my God." My times are in Your hand.

Psalm 31:14, 15

LifeGroup Questions:

1. Has your faith grown during the last year? Tell us how.
2. As you look toward the future, what "uncertainties" are most concerning for you?
3. List the top three "uncertainties" which were mentioned by your group. Divide your group into three, assigning one "uncertainty" to each. Now have each group spend 10-15 minutes developing a biblical response of encouragement and or instruction that will help build faith regarding each of the three "uncertainties" mentioned.
4. Share your results and then pray together about your discoveries.
