Proverbs 2:6

LifeGroup Questions:

1. What would you say is the area of life you need wisdom in right now?
2. In your own words, describe our responsibility for gaining God's wisdom.
(See Proverbs 2:2-4; 4:5; 5:1)
3. What keeps us from being more eager in this pursuit? Can we remedy this? How?
4. Look at the following passages and describe the common theme found there, then list our responsibilities described there. (Joshua 1:9; Psalm 1:1-3; 119:11, 24, 48, 97; Jeremiah 15:16; John 8:31; Colossians 3:16; 2 Timothy 2:15; 1 Peter 2:2)
