

“More Wisdom to Battle Temptation”

Review

- Sin must always be seen first as an offense against God (Proverbs 5:21; Psalms 51:3, 4).
- Desire (lust) is tremendously powerful, yet God holds us responsible for our actions.
- Sin is deceitful; our hearts are deceitful and susceptible to deception.
- Small transgressions left unaddressed will lead to pathways of deeper sin.
- Only the Holy Spirit is capable of restraining our sinful flesh (Romans 8:6-9; Galatians 5:16).
