3. How have you learned to discern the voice of God?
4. Can you make sense of a personal relationship in which there are no specific communications?
5. How might your perception of God affect your capacity to hear his voice? For a clearer picture of God, see Matthew 28:18-20; Matthew 21:11-15; John 8:1-8; John 10:1-5, 14-16; John 15:9-16; Luke 4:14-21.
