

"Wisdom Words"

June 20, 2010

G. Paul Miller

*The tongue of the wise makes knowledge appealing, but
the mouth of a fool belches out foolishness.*

Proverbs 15:2

LifeGroup Questions:

1. "Knowledge" tends to focus on accurate understanding; "wisdom" is the acquired skill of applying that knowledge. What is one area of your life in which you have implemented wisdom?
2. If applicable, which trait of a wise tongue spoke to you through this week's message? Why?
3. Has the Lord used you to give wise counsel or receive wise counsel recently? If so, in what way?
4. Think back on a time in your life when a loving brother or sister rebuked, reprovved or spiritually admonished you. Can you see growth in the area addressed?
5. Share an opportunity you recently experienced where you were encouraging, able to share your faith, or used by the Lord to comfort or console someone.
